## System of a Down

Poisoning a drink, bleeding in a sink  
Choking with a link, killing with a stink  
Just your mother's, hoBleeding in a sink, poisoning a drink  
Burning up, my sweet ClementineTrampling a shrink, bleeding in a sink  
Hallelujah wink, getting on the brink  
Just your mother'ssyste, hoHallelujah wink, murdering a shrink  
Burning up, On my sweet revenge  
Will be yours for the taking  
It's in the making baby, ohMy sweet revenge  
Will be yours for the taking  
It's in the making babyKilling with stink, bleeding in a sink  
Poisoning a drink, getting on the brink  
Just your mother's, ohBleeding in a sink, trampling a shrink  
Burning up, my sweet ClementinePoisoning a drink, bleeding in a sink  
Choking with a link, killing with a stink  
Just your mother's, hoPoisoning a drink, bleeding in a sink  
Burning up, my sweet revenge  
Will be yours for the taking  
It's in the making babyMy sweet revenge  
Will be yours for the taking  
It's in the making babyI saw her laugh  
Then she said  
Go awayI saw her laugh  
Then she said, then she said  
Go away, awayMy sweet revenge  
Will be yours for the taking  
It's in the making babyMy sweet revenge  
Will be yours it's in the making  
It's in the taking, making, baking, taking, faking, oh  
Ho  
My sweet Clementine  
HoShoulda been, coulda been, woulda been, woulda been you  
Shoulda been, coulda been, woulda been, woulda been you
