Saturday

The Enemy

Saturday Saturday
Saturday SaturdayDead end friends on the washing line
Lining up for a dressing down
Frosty milkman in the morning
Desperate breakfast in a boring townTake a look around and see what you wanna see
There's a train tonight we'll leave when you wanna leaveSaturday Saturday will make it all okay
Saturday Saturday will make it all okay
Saturday Saturday will make it all okay
Saturday Saturday will make it all okayCondensation on the window
Hides the sorrow of a weirdo's tears
Burnt out bins behind the station
Vandals lack imagination round hereSaturday Saturday will make it all okay
Saturday Saturday will make it all okay
Saturday Saturday will make it all okay
Saturday Saturday will make it all okayTake a look around and see what you wanna see
Live the dreams you had and be who you wanna be
There's a train tonight
We'll leave when you want to leave when you want
If you've seen the light
Then be who you want to be, who you wantThere's a train tonight
We'll leave when you want to, leave when you want
If you've seen the light
Then be who you want to, be who you wantSaturday Saturday
Saturday Saturday
Saturday Saturday will make it all okay
Saturday Saturday will make it all okay
