

# Oh Be Joyful

**Matthew Good**

Here I go  
Pop my skull ready to lose control, yeah  
Cruising slow  
Live your life outside the life you know, ohOh, be joyful  
'Cause that shit spreads  
Oh, be joyful  
'Cause that shit spreadsHere we go  
Pop your skull off the air, lose control  
Get up, get up and go  
Five fingers, one of them lets you knowOh, be joyful  
'Cause that shit spreads  
Oh, be joyful  
'Cause that shit spreadsJust like thatOh, be joyful  
'Cause that shit spreads  
Oh, be joyful  
'Cause that shit spreads
