

# Stars

## Les Misérables - 10th Anniversary Concert Cast

Maybe I've been the problem  
Maybe I'm the one to blame  
But even when I turn it off and blame myself  
The outcome feels the same  
I've been thinking maybe I've been partly cloudy  
Maybe I'm the chance of rain  
And maybe I'm overcast  
And maybe all my luck's washed down the drain  
I've been thinking 'bout everyone  
Everyone you look so lonely  
But when I look at the stars  
When I look at the stars  
When I look at the stars, I see someone else  
When I look at the stars  
The stars, I feel like myself  
Stars looking at a planet  
Watching entropy and pain  
And maybe start to wonder  
How the chaos in our lives could pass as sane  
I've been thinking 'bout the meaning of resistance  
Of a hope beyond my own  
And suddenly the infinite and penitent  
Begin to look like home  
I've been thinking 'bout everyone  
Everyone you look so empty  
But when I look at the stars  
When I look at the stars  
When I look at the stars, I see someone else  
When I look at the stars  
The stars, I feel like myself, yeah  
Stars, stars  
Everyone, everyone feels so lonely  
Everyone, yeah everyone feels so empty  
When I look at the stars  
When I look at the stars  
When I look at the stars, I feel like myself  
When I look at the stars  
The stars, I see someone
