

The Gardener

The Tallest Man on Earth

I sense a runner in the garden
Although my judgements known to fail
Once built a steamboat in a meadow
Cos I'd forgotten how to sail I know the runner's going to tell you
There ain't no cowboy in my hair
So now he's buried by the daisies
So I could stay the tallest man in your eyes, babe I sense a spy up in the chimney
From all the evidence I've burned
I guess he'll read it in the smoke now
And soon to ashes I'll return I know the spy is going to tell you
It's not my flag up in the pole
So now he's buried by the lilies
So I could stay forever more in your eyes, babe I sense a leak inside my phone now
From all the lies I have told
I know he has your private number
And soon he'll make that vicious call I know the leak is going to tell you
There ain't no puppy in your leash
So now he'll fertilize the roses
So I could stay the king you see
In your eyes, babe
In your eyes, babe So now we're dancing through the garden
And what a garden I have made
And now that death will grow my jasmine
I find it soothing I'm afraid Now there is no need for suspicion
There ain't no frog kissing your hand
I won't be lying when I tell you
That I'm a garner I'm a man
In your eyes babe
In your eyes, babe
In your eyes, babe
