Giant

Matrimony

Does it feel good to leave me behind
Do you like the way I look when I'm crying
When you said that I'll be yours untill we die
Does it feel good to leave me behindThere's a giant leading me to God knows where
I've got news, I'm going my way
Fighting, and I feel I'm getting somewhere
All is right, all is rightThere's a giant leading me to God knows where
I've got news, I'm going my way
Fighting, and I feel I'm getting somewhere
All is right, all is rightDoes it feel good to leave me on my own
When you said that I'll be yours when you got home
When you know I don't have nowhere else to go
Does it feel good to leave me on my ownOh, ah ah ah, I
Oh, ah ah ah, I
Oh, ah ah ah, IThere's a giant leading me to God knows where
I've got news, I'm going my way
Fighting, and I feel I'm getting somewhere
All is right, all is rightThere's a giant leading me to God knows where
I've got news, I'm going my way
Fighting, and I feel I'm getting somewhere
All is right, all is rightAll is rightThere's a giant leading me to God knows where
I've got news, I'm going my way
Fighting, and I feel I'm getting somewhere
All is right, all is rightAll is right
