

# September in the Rain

**Doris Day**

The leaves of brown came tumblin' down, remember  
In September in the rain The sun went out just like a dying ember  
That September in the rain To every word of love I heard you whisper  
The raindrops seemed to play a sweet refrain Though spring is here, to me it's still September  
That September in the rain To every word of love I heard you whisper  
The raindrops seemed to play a sweet refrain Though spring is here, to me it's still September  
That September in the rain  
That September in the rain
