Runaway

Small Faces

I've seen the world, been to many places
Made lots of friends, many different races
I've had such fun around the world it's true
African skies with a Nairobi mood
I fell asleep in Tuscany and dreamed
The one thing missing was youRunaway with me my love,
Yeah, yeah, yeah, yeah
Runaway with me my love,
Yeah, yeah, yeah, yeahI woke up with an Australian breeze
And danced the dance with Aborigines
Oh under the moon glow down in Mexico I dreamed
One thing was missing that's youRunaway with me my love,
Yeah, yeah, yeah, yeah
Runaway with me my love,
Yeah, yeah, yeah, yeahWe'll sail the waters of many colors
We won't need a compass, love will guide our way
Don't need nobody, as long as we got each other
No need to hurry, we've got everyday
I wanna share the world with you, you see
Spring time in Paris feels so good to me
Oh this is for me reality
So please make all my wishes come trueRunaway with me my love,
Yeah, yeah, yeah, yeahAnd I just know we'll have a good time
And I just know we'll have a good time
