

Two Little Orphans (Re-Recorded Version)

Dolly Parton

Two little children a boy and a girl
Sat by an old church door
The little girl's feet
Were as brown as the curl
That fell on the dress that she wore
The little boy's cloths were all tattered and torn
They shown beneath his blue eyes Why don't you go home
To you mommy I said
And this was the maddens reply
Mommy's in heaven
Angels took her away
Left Tim and I all alone
We've no one to love us
And daddy is dead
And our darling mother is gone Mommy got sick
Angels took her away
To dwell in those mansions so bright
She said she would come
For her children some day
And I guess she's coming tonight
The sexton came early
To ring the church bell
And found them
Beneath the snow white
The angels made room for the orphans to dwell
Up in heaven with their mommy that night
