Courage

Orianthi

Take all my vicious words And turn them into something good Take all my preconceptions And let the truth be understoodTake all my prized possessions Leave only what I need Take all my pieces of doubt And let me be what's underneathCourage is when you're afraid But you keep on moving anyway Courage is when you're in pain But you keep on living anywayWe all have excuses why Living in fear something in us dies Like a bird with broken wings It's not how high he flies but the song he singsCourage is when you're afraid But you keep on moving anyway Courage is when you're in pain But you keep on living anywayIt's not how many times you've been knocked down It's how many times you get back up Courage is when you've lost your way But you find your strength anywayCourage is when you're afraid Courage is a burning faith Courage is when you make a change And you keep on living anywayYou keep on moving anyway You keep on giving anyway You keep on loving anyway
