Mr. President

Pia Mia

Doctor, I need medicine
Cheerleader need her letterman, yeah
Knock knock, let me in
Give you a late show, like LettermanI'm right here boy, what you doin' bout it
Step up or go do without itI'll be waiting, anticipating(I gotcha) Going 90 on the highway
Rolling up to my driveway
Seen the look on my face
I'm not the girl next doorYou should already know (know know)
How this thing bout to go (go go)
You should already know
Thought I that I told ya
When you came over
You should already know
I need a soldier
I need a soldier
(Already know)Hey there, Mr. President

Yeah, tryna talk I ain't hearing it
And what I got I ain't sharing it, its for you boy
What you doin' bout it
Step up or go do without it
I'll be waiting, anticipating(I gotcha) Going 90 on the highway
Rolling up to my driveway
Seen the look on my face
I'm not the girl next doorYou should already know (know know)
How this thing bout to go (go go)
You should already know
Thought I that I told ya
When you came over
You should already know
I need a soldier
I need a soldier
(Already know)I don't want no one but you
Oh baby, baby
Oh baby,babyI don't want no one but you
Oh baby, baby
Oh baby,baby
You should already know (know know)
How this thing bout to go (go go)

You should already know
Thought I that I told ya
When you came over
You should already know
I need a soldier
I need a soldier
(Already know)
