

# Place In The Country

Adam Ant

Adam Ant/Marco Pirroni

All I thought I wanted was a front door  
All I thought I wanted was a place in the country  
Now I realise I wanted so much more  
Some I love but you I adore

You think you're really swinging  
But you're off the beat  
The moves your brains a thinking  
Doesn't reach your feet  
You got to get this complication out of your head  
Or find another man instead

You listen very close to what the bad girls said  
In all those crumby articles and in my bed  
You say I'm just a stripper not afraid to strip  
With my brains rattlin' my hips

You've got the kind of looks  
That make a dead man stare  
But when it comes to working honey  
You ain't there  
I try to tell you nicely but the screaming starts  
You're playing ping pong with my heart
