

Seek Ye Out the Old Paths

Paul Williams

1.

In the book of Jeremiah, chapter 6 and verse 16
He tells us how we need to live, itâ€™s a way thatâ€™s good and clean
He tells us how we need to walk no matter where we go
If weâ€™ll walk in the old path weâ€™ll find rest for our soul

Chorus

Seek ye out the old path and walk therein
Cried Jeremiah the prophet but they would not hear him
Seek ye out the old path and walk therein
Stop following after the flesh stumbling around in sin
Now the old way
Itâ€™s a good way
And itâ€™s Godâ€™s way
And we better walk therein

2.

Thereâ€™s a man on the inside of every one thatâ€™s born again
He tells us how we need to live if weâ€™ll listen to him
Heâ€™ll keep us on the old path and we wonâ€™t go astray
Heâ€™ll help our lives to be a light to someone thatâ€™s unsaved

Chorus

Seek ye out the old path and walk therein
Cried Jeremiah the prophet but they would not hear him
Seek ye out the old path and walk therein
Stop following after the flesh stumbling around in sin
Now the old way
Itâ€™s a good way
And itâ€™s Godâ€™s way
And we better walk therein
