

# Peace

Norah Jones

there's a place that i know where the sycamores grow  
and daffodils have their fun  
where the cares of the day seems to slowly fade away  
and the glow of the evening sun  
peace when the day is done  
if i go there real late, let my mind meditate on everything to be done  
if i search deep inside, let my conscience be my guide  
then the answers are sure to come  
don't have to worry none

when you find a piece of mind  
leave you worries behind  
don't say that it can't be done  
with a new point of view  
life's true meaning comes to you  
and the freedom you seek is one  
peace is for everyone  
peace is for everyone  
peace is for everyone
