

# Caress

## Buffalo Tom

Caress inside my bones  
Caress inside my bones  
A house inside a homeA bird, ninety times alone  
A bird, ninety times alone  
I am always alone  
I am always aloneA bird, ninety times alone  
A bird, ninety times alone  
I am always alone  
I am always aloneA house inside a home  
I am always alone
