

Brighter Day (feat. D.Swi\$H)

Kerry Louise Taylor

You are ...
You Are really Priceless

We can we do
We broke right through them chains around us
X2

Your Taking All The Rain away
I cleared it out
Window wipe the pain away
Your Taking all my Frame Today
Its clear do it our way

We can we do
We broke right though them chains around us
X2

Got a real good thing
Dont Throw it away
Think of all the joy
It bring today
My brighter day
My brighter day

You are
You are really Priceless
