With some fire-oh head 'cause you know we love cappin'

Got her toes done up with her fingernails matchin'

Here dat big ol' butt that you're walkin' cross the street with

Peep this, for a happy meal can I squeeze it

Till it go pop, make the juice start to runnin' out

Greasy lips, thick like a moose what I'm talkin' 'bout

Them freaky freaks I heard on the loose, let ya pockets out

Got trick niggaz watchin' your caboose with they wallets out

You should stop, lil' somethin' somethin' bad to the bone

That ain't a monkey hangin' off ya back that's Donkey KongGood googly moogly, that thang is juicy

Good googly moogly, that thang is juicyHow you gon' prance around with all that, sayin' you ain't all that

Everybody at ya wanna hit ya like a ball bat

That thang make ya look back, be like man who is that

You can see a hiny on a hiny I'm pursuin' that

A dirty south hoody rat tryin' to hold goodies back

Waist like a wasp, butt cheeks pokin' really fat

I'm Crown Vic old school, squeezin' on her boo-boo

Hugged up, pokin' in her brains so what ya wanna do

Nice tats on ya body, liquor comin' out ya pores

Weed stench ya ain't right, G-string for some drawers
You can call me Mister Whipple, I won't do no harmin'
Never to the Charmin, come holla at me woman
Good googly moogly, that thang is juicy
Good googly moogly, that thang is juicy
Good googly moogly, that thang is juicy

Good googly moogly, that thang is juicy
Good googly moogly, that thang is juicy
Good googly moogly, that thang is juicy
I'm a P-I-M-P with diamonds all in my teeth
I step in the light man, my mouth be shiny
A ghetto star in the street, the shoppin' and cuttin' the ki's
They all wanna get with me, these girls be beggin' please
They call me the Juice Man, I love a striptease
A girl with a lot of ass, that's down to hit her knees
Yeah, I beat that thang like it stole somethin' never let her
hold somethin'
Put the staff in her mouth, claimin' that she owe somethin'
Show 'em somethin' mean on the scene
When I first seen them jeans, teamed with that booty it's a dream team
Make me go-go, up and down like a yo-yo
But I had to pop her blue
'Cause I'm on that Tonio Montana
Goog google moogly, that thang is juicy
