

I Miss You

Ben Kweller

I miss you, I think about you every day
I wonder who youre laughin with right now
I wish youd let me say what I need to say
Been tryin for weeks to track you down. The rain pours on this painted concrete runway
As another show takes me to the sky
I wish I could fly this plane to you
Even just to say goodbye. It doesnt matter anyway
You have changed
You have changed
[x2] I miss you, I think about your summer smile
So shocked how easy it is for you to escape closure
Yeah, you just run away, wonder if that weightll catch up to you
Youre too old to act like such a child
With a head all business and a heart unfree
Me, I still miss you, you dont even care and thats whats scarin me. It doesnt matter anyway
You have changed
You have changed
[x2]
