

# Let's Work

## Dj Fex

No sittin' down on your butt  
The world don't owe you  
No sittin' down in a rut  
I wanna show youDon't waste your energy  
On makin' enemies  
Just take a deep breath  
And work your way upLet's work, be proud  
Stand tall, touch the clouds  
Man and woman, be free  
Let's work, kill poverty  
Now work your way upLet's work, be proud  
Stand tall, touch the clouds  
Man and woman, be free  
Let's work, kill povertyYou're sittin' down on your butt  
And you get greedy  
You start to lose your nuts  
Don't you look seedy  
Can generosity bring you humility  
So take a deep breathAin't gonna sweat for you  
Ain't gonna sigh for you  
Ain't gonna cry for you  
If you're lazyAin't gonna slave for you  
Ain't gonna hurt for you  
It just won't work for you  
If you're lazy  
Come on, come on, come onLet's work, be proud  
Stand tall, touch the clouds  
Let's work, let's eat  
Let's live in ecstasy  
Man and woman, be free  
Let's work, kill povertyLet's work, be proud  
Stand tall, touch the clouds  
Man and woman, be freeLet's work, let's work  
Get down, get down, get down  
Get down in the dirt and let's work  
Get down in the dirt and let's workGet up, be free  
Get down in the dirt, let's work  
Get down in the dirt and let's work  
Get down in the dirt, take off your shirt

Get down in the dirt and let's work  
Let's work  
Let's work  
Let's work  
Oh yeah, oh yeah  
Oh yeah, oh yeah
