

# Sweaty (Shazam Remix)

## Muscles

Peace love ecstasy  
unity respect I'm getting tired and i'm sweaty,  
but i still want too touch you if you let me.  
Because we hugged a few times  
it was special  
and we'll be working all night cause its pumping.  
And you were special My hand slipped into your hand,  
and it was awesome  
and you were special. Peace love ecstasy unity respect I'm getting tired and i'm sweaty,  
but i still want too touch you if you let me.  
Because we hugged a few times  
it was special and we'll be working all night cause its pumping.  
And you were special  
My hand slipped into your hand,  
and it was awesome  
and you were special
