

# Won't Stop

[Onerepublic](#)

Now I stared at you from across the room  
Until both my eyes were faded  
I was in a rush, I was out of luck  
Now I'm so glad I waited  
Well you were almost there, almost mine, yeah  
They say love ain't fair but I'm doing fine  
'Cause I swear it's you, I swear it's you  
I swear it's you that I've waited for  
And I swear it's you, I swear it's you  
I swear it's you that my heart beats for  
And it ain't gonna stop, no it just won't stop  
Now you are fire by night but when the morning light comes  
Comfortable as rain on Sunday  
And I'm a lucky soul that holds your hand so tight  
Hope you hear this one day  
Don't fool yourself this is my truth  
I swear it's you, I swear it's you  
I swear it's you that I've waited for  
I swear it's you, I swear it's you  
I swear it's you that my heart beats for  
And it ain't gonna stop, it just won't stop  
You take this hand, you take this heart  
Stir my bones from a thousand miles apart  
It feels so cold without you like it's ten shades of winter  
And I need the sun  
And I swear it's you, I swear it's you  
I swear it's you I waited for  
I swear it's you, I swear it's you  
I swear it's you that my heart beats for  
I swear it's you, I swear it's you  
I swear it's you that I've waited for  
I swear it's you, I swear it's you  
I swear it's you that my heart beats for  
And it ain't gonna stop, it just won't stop  
It just won't stop, it just won't stop no  
I swear it's you, I swear it's you, oh yeah
