Gail

Alice Cooper

A tree has grown on the spot
Where her body did rest
Blood seeped into the soil
From the knife in her chestThe bugs serve time
In her skeletal jail
I wonder how the bugs
Remember GailWhat a lovely young girl
Everybody would say
You can still hear her laugh
In the shadows on a cold winter's dayA dog dug up a bone
And wagged it's tail
I wonder how the dog
Remembers Gail
