

# Gail

## Alice Cooper

A tree has grown on the spot  
Where her body did rest  
Blood seeped into the soil  
From the knife in her chest The bugs serve time  
In her skeletal jail  
I wonder how the bugs  
Remember Gail What a lovely young girl  
Everybody would say  
You can still hear her laugh  
In the shadows on a cold winter's day A dog dug up a bone  
And wagged it's tail  
I wonder how the dog  
Remembers Gail
