

# Daylight In Your Eyes

## No Angels

Wanna know you better  
wanna push you baby but never too far  
wanna show you heaven  
wanna be like you just as strong as you are I wanna be daylight in your eyes  
I wanna be sunlight only warmer  
I wanna be daylight in your eyes  
I wanna be loved only stronger  
I wanna be daylight Wanna live forever  
wanna touch your hand and explode like a star  
wanna stand beside you  
always be together wherever you are I wanna be daylight in your eyes  
I wanna be sunlight only warmer  
I wanna be daylight in your eyes  
I wanna be loved only stronger  
I wanna be daylight in your eyes  
I wanna be sunlight only warmer  
I wanna be daylight Wanna know you better  
wanna push you baby but never too far  
wanna live forever  
wanna be like you just as weak as you are  
weak as you are I wanna be daylight in your eyes  
I wanna be sunlight only warmer  
I wanna be daylight in your eyes  
I wanna be loved only stronger  
I wanna be daylight in your eyes  
I wanna be sunlight only warmer  
I wanna be daylight (Daylight) I see it in your eyes  
(daylight) I wanna be  
just you and me  
for all eternity.....  
(daylight in your eyes, in your eyes, in your eyes) I wanna be daylight in your eyes  
I wanna be sunlight only warmer  
I wanna be daylight in your eyes  
I wanna be loved only stronger  
I wanna be daylight in your eyes  
I wanna be sunlight only warmer  
I wanna be daylight Daylight  
I see it in your eyes
