

Room To Move

Climie Fisher

May seem peculiar
How I think of you
If you want me, darlin'
Here's what you must do You gotta give me
'Cause I can't give the best
Unless I got room to move If you want me darlin'
Take me how you can
I'll be circulatin'
'Cause that's the way I am You gotta give me
'Cause I can't give the best
Unless I got room to move
