

# Brand New (ft. Kanye West)

## Rhymefest

[Intro]

(Brand New) x5[Hook: Kanye West] x2

I don't like it unless it's (brand new)

You might see me in my (brand new) whip

With my (brand new) bitch, pumpin' my (brand new) shit

You don't like it - get off my (brand new) dick[Verse: Kanye West]

They say your attitude determines your latitude

I'm high as a motherfucker - fly as a motherfucker

And still the motherfucker you love to hate

But can't - because you love what I make

Now ain't - that about a bitch

And I'ma talk shit until I'm out of hits

They don't want to turn they speakers up they claim I ain't deep enough

All that talkin' I feed off of - keep it up

I'm relaxin' my feet is up - I'm leavin' you haters

Like when Shaq left the Lakers just to "Heat" it up

I state the stats to stunt - I don't need to front

I make history e'ry day - I don't need a month

The survey says - by the streets according

Kanye's just important as Michael Jordan

Was to the NBA when he was scorin'

Ralph Lauren was borin' before I wore him and..[Hook: Kanye West]

I don't like it unless it's (brand new)

You might see me in my (brand new) whip

With my (brand new) bitch, pumpin' my (brand new) shit

You don't like it - get off my (brand new) dick[Hook: Rhymefest]

Yo wait - I don't want it unless it's (brand new)

You might see me in my (brand new) whip

With my (brand new) bitch, pumpin' my (brand new) shit

You don't like it - get off my (brand new) dick[Verse: Rhymefest]

Now some women hit the mall and some shop at the thrift store

Some of 'em mix and match and make it look like they get more

Some of y'all know you wear a sixteen - squeezin' into a six

Damn - what you make them jeans rip for?

I guess she's lookin' for a brand new man who

Ain't always gotta sit down cause he can't stand you

Boo - this the brand new jam to dance to

While you givin' me "Head" like shampoo - come as you came

Skip the brand name - I won't brand you

What you do here'll stay here like Cancun  
 Besides your breasts is augmented - I like things authentic  
 Look at all my whips, they're all vintage  
 I got a loft with a view of the sea  
 See I take some more shit and make it new for me  
 Pimp it out like Xzibit to the (oomph) degree  
 Why spend and arm and a leg - we can kick it for free you see..[Hook: Rhymefest] x2  
 I don't like it unless it's (brand new)  
 You might see me in my (brand new) whip  
 With my (brand new) bitch, pumpin' my (brand new) shit  
 You don't like it - get off my (brand new) dick nigga[Verse: Rhymefest]  
 ??? bustin' and then hit 'em - fuck the cynicism  
 I'm quick to give y'all niggaz constructive criticism  
 Like "Wait - you basically suck" - his mother said "My son wanna rhyme!"  
 I'm like "Ma'am - I don't agree with that decision  
 Nothin' against him - but if he step I got to diss him  
 I listen to that weak shit - all of it - I can't follow it  
 [Barf) Excuse me - I'm "whack"tose intolerant  
 "I worked too hard to get my baby ballin' kid!"  
 Down the fives - had me blue collar poppin' it  
 Now I'm in the club - and look who I get it poppin' with  
 Me and 'Ye go back like crew cuts  
 He hook me up - as long as I don't ask him for too much  
 But even he know 'Fest is layin' it down  
 Cause this is just an old beat he had layin' around![Hook: Kanye West]  
 I don't like it unless it's (brand new)  
 You might see me in my (brand new) whip  
 With my (brand new) bitch, pumpin' my (brand new) shit  
 You don't like it - get off my (brand new) dick[Hook: Rhymefest] x2  
 Kanye I don't like it unless it's (brand new)  
 You might see me in my (brand new) whip  
 With my (brand new) bitch, pumpin' my (brand new) shit  
 You don't like it - get off my (brand new) dick homey
