Shake You Down (Remake)

Gregory Abbott

Oh! yeahGirl, I've been watching you
From so far across the floor now, baby
That's nothing new, I've watched you
So many times before now, babyI see that look in your eyes
And what it's telling me
And you know, ooh, girl, that I'm not shy
I'm glad you picked up on my telepathy now, baby(You read my mind) You know you did
(Girl, I wanna shake you down) Well, well
(I can give you all the loving you need) I'm gonna love you
(Come on, let me take you down) Oh, baby
(We'll go all the way to heaven)Ooh, I've been missing you
And the way you make me feel inside
What can I do?
I can tell you've got your pride now, baby (Ooh)
Come to me (Come to me) Well, well
Let me ease your mind, oh, babe
I've got the remedy, huh, yes, I do
Now give me just a little time(You read my mind)
(Girl, I wanna shake you down) I wanna rock you down
(I can give you all the loving you need) I'm gonna love you
(Come on, let me take you down) Oh, well, oh, well
(We'll go all the way to heaven)[Spoken:]
Girl, I've been missing you
And you know, it's funny
Every time I get to feel in this way
I wish I had you near me
I wanna reach out and touch you[Soft Rap:]
I can't stop thinking of the things you do
The way you call me baby
When I'm holding you
I shake and I shiver when I know you're near
Then you whisper in my ears, oh, baby, well, well(You read my mind) You know you did
(Girl, I wanna shake you down) Oh, baby
(I can give you all the loving you need) Ohh (Come on, let me)
(Come on, let me take you down) Oh, well, oh, well
(We'll go all the way to heaven)Eenie, meanie, miny, mo (You read my mind)
Come on, girl and shout for show (Girl, I wanna shake you down)
(I can give you all the loving you need) Ohh
Roses are red and violets are blue

I'm gonna rock this world with you (Come on, let me take you down)
Hey, baby (We'll go all the way to heaven)(You read my mind)
(Girl, I wanna shake you down)
(I can give you all the loving you need)
(Come on, let me take you down)
(We'll go all the way to heaven)
