Humiliation Song

Freak Kitchen

I'd be happy to humiliate myself
I'd be happy to bend over just to be somebody
Be somebody
Be somebody
I'd do anything for ten seconds of fame
I'd be happy to bend over just to be somebody
Be somebody
Be somebodyFly me to some tropical island today
Where I can tempt your brains awayLock me in a bunker for a year or two
The tabloids love it and so do youThat's entertainment!
That's entertainment!I'd be happy to humiliate myself
I'd be happy to bend over just to be somebody
Be somebody
Be somebody
I'd do anything for ten seconds of fame
I'd be happy to bend over just to be somebody
Be somebody
Be somebodyYoung, old, singles, husbands and wives
I give meaning to your worthless livesAnd when it's all over and I leave your TV
Half the country will need therapyThat's entertainment!
That's entertainment!
