Sonic Boom Boy

Westworld

Someone tell me it aint true
Why my heart belongs to you
Well, at the end of everyday
Ah, you take my breath away
'Cause I'm flyin' high on a rocket in the sky
Sonic boom boy
Ha. Sonic boom boom boyIn the stars I see your eyes
They come to me yeah all the time
hip hop rock to me now
and it aint gonna slow down
'Cause I'm flyin' high on a rocket in the sky
Sonic boom boy
Ha. Sonic boom boomNo one would believe me
This thing could be so easy
just. Just say what's all in my mind
I'll be round some time
I'm flyin' high on a rocket in the sky
Sonic boom boy
Ha. Sonic boom boom boy
I'm flyin' high on a rocket in the sky
Oh, yeah
I'm flyin' high on a rocket in the sky
Sonic boom boy
Ha. Sonic boom a boom boy
Sonic boom boy
