Don't Let the Bastards Get You Down

Matt Pryor

all the hearts are breaking over this
a testament to targets that we missed
if the highest mountain is a personal pursuit
i wish the best to youits better to be last be than be to late
im stronger to have fallen and recover from mistakes
some days i stumble and these words they have no way
but i get up againdon't let the bastards get you down
don't let the bastards get you down
they can go to helland i can disappoint or disappear
this thought i'm painfully unaware
sometimes the lack of options is the drive that keeps me here
that's no way to be
don't let the bastards get you down
don't let the bastards get you down
cause they can go to hell
