

Monotony (Triad Remix)

Mousse T.

Too many moments
Continually
Same old relationship
Repeatedly Still duplicating
So d ja vu
Sequences stuck in time
Monotony An action replay
Identical twins
A photocopy
Once again The same scenario
Well, I ain't suppose so
Shackled to boring lives
Monotony Spread your wings and fly
Cross the boundaries of our heart
Monotony Can't you see?
It's killing you, it's killing me
Now we face what we feel
As we reach the stand still phase
Monotony Can't you see?
It's killing you, it's killing me
Monotony, monotony Recycled anger
And plastic smiles
Pattern of splendor
Bona fide Ancient history
On a merry go round
Repeating like grains of desert sand
Monotony We take one step forward
And one step back
Predicted the motion
Hypnotized Exactly same time
We both grew cold
Reminder of unexpected love we found Spread our wings and fly
Cross the boundaries of your heart
Monotony Can't you see
It's killing you, it's killing me?
Now we face what we feel
As we reach the stand still phase
Monotony Can't you see
It's killing you, it's killing me? Monotony, monotony

Monotony, monotony
Monotony, monotony
Monotony, monotony
(It's on a merry go round)
Monotony, monotony
Monotony, monotony
(It's killing me, it's killing you)It's killing you and it's killing me
It's killing you and it's killing me
It's killing you, oh yeah and it's killing me
