

Vocal (Ivan Gomez & Nacha Chapado Mix)

Pet Shop Boys

I like the people
I like the song
This is my kind of music
They play it all night long I like the singer
He's lonely and strange
Every track has a vocal
And that makes a change And everything about tonight feels right and so young
And anything I'd want to say out loud will be sung It's in the music
It's in the song
Everyone I hoped would be around has come along
For the music (music) It's in the music
It's in the song
And the feeling of the ones around us all is so strong It's in the music And everything about tonight feels right
and so young
And anything I'd want to say out loud will be sung This is my kind of music
They play it all night long Expressing passion
Explaining pain
Aspirations for a better life are ordained And everything about tonight feels right and so young
And anything I'd want to say out loud will be sung This is my kind of music
They play it all night long It's in the music
And everything about tonight feels right and so young
And anything I'd want to say out loud will be sung It's in the music
It's in the music This is my kind of music
They play it all night long
They play it all night long And the feeling of the ones around us all is so strong
Is so strong I like the people
I like the song
This is my kind of music
They play it all night long I like the singer
He's lonely and strange
Every track has a vocal
And that makes a change
