Richard Manuel

Black Prairie

Where is my belt
I swear I'm gonna get
myself together.
Where is the band
I'm gonna set this
hotel on fire.The band is swinging
swinging, swinging, swinging, swinging
just like me.The band is swinging
swinging, swinging, swinging, swinging
just like me.
Where is my wife
I swear
I still smell her
in the shower.Where is my band
I'm gonna set this
hotel on fireManuel, play the keys
Manuel, play the keys
Manuel, play the keys
Manuel, please
Swing it just like meMy neck is soft
My neck is taut
Against the leather
My body falls
My fingers drop down
Together
Manuel, play the keys
Manuel, play the keys
Manuel, play the keys
Manuel, play the keys
Manuel, play the keys
Manuel, play the keys
Manuel, play the keys
Manuel, please
Swing it just like me.
Swing it just like me.
