Night Ride Home

Joni Mitchell

Once in a while
In a big blue moon
There comes a night like this
Like some surrealist
Invented this fourth of July
Night ride homeHula girls
And caterpillar tractors in the sand
The ukulele man
The fireworks
This 4th of July
Night ride homeI love the man beside me
We love the open road
No phones till Friday
Far from the overkill
Far from the overloadBack at the bar
The band tears down
But out here in the headlight beams
The silver power lines
Gleam
On this fourth of July
Night ride homeRound the curve
And a big dark horse
Red taillights on his hide
Is keeping right alongside
Rev for stride
Fourth of July
Night ride homeI love the man beside me
We love the open road
No phones till Friday
Far from the undertow
Far from the overloadOnce in awhile
In a big blue moon
There comes a night like this
Like some surrealist
Invented this fourth of July
Night ride home
Night ride home
Night ride home
On a night ride home

On a night ride home
Night ride home
