

Dead and Gone

The Black Keys

Nah nah, nah nah, nah nah nah, nah nah (Whoa oh oh) So long
Why'd you wait him so long?
After every single word is said
I'm feeling dead and gone Along
Don't you drag me along
If you do, you know I'll follow you
Until the truth is known I'll go anywhere you go, oh oh oh
All the way, all the way
I'll go anywhere you go, oh oh oh
All the way, all the way So long
Why'd it take you so long?
Every time I hear the whistle blow
I'm down below, your pawn Don't call me, I'll call you
Is what you say, I'll obey
Chill tonight, or eatin' right
I need to say, gotta say I'll go anywhere you go, oh oh oh
All the way, all the way
I'll go anywhere you go, oh oh oh
All the way, all the way Nah nah, nah nah, nah nah nah, nah nah (Whoa oh oh)
