The Reflecting God

Marilyn Manson

Your world is an ashtray

We burn and coil like cigarettes

The more you cry your ashes turn to mudThe nature of the leeches

The virgins feeling cheated

You've only spent a second of your lifeMy world is unaffected

There is an exit here, I say it is and it's true

There is a dream inside a dream

I'm wide awake the more I sleep

You'll understand when I'm deadI went to God just to see

And I was looking at me

Saw Heaven and Hell were lies

When I'm gone everyone diesScar, can you feel my power?

Shoot here and the world gets smaller

Scar, scar, can you feel my power?

One shot and the world gets smallerLet's jump upon the sharp swords

And cut away our smiles

Without the threat of death

There's no reason to live at allMy world is unaffected

There is an exit here, I say it is and it's true

There is a dream inside a dream

I'm wide awake the more I sleep

You'll understand when I'm deadI went to God just to see

And I was looking at me

Saw Heaven and Hell were lies

When I'm gone everyone diesScar, can you feel my power?

Shoot here and the world gets smaller

Scar, scar, can you feel my power?

One shot and the world gets smallerScar, scar, can you feel my power?

Shoot here and the world gets smaller

Shoot, shoot, shoot motherfucker

Shoot, shoot motherfuckerEach thing I show you is a peace of my deathNo salvation, no forgiveness

No salvation, no forgiveness

No salvation, no forgiveness

(I said)

No salvation, no forgivenessNo salvation, no forgiveness

(This is the idol experience)

No salvation, no forgiveness

No salvation, no forgiveness

(Forgiveness)No salvation

(Forgiveness)

No forgivenessI went to God just to see

And I was looking at me

Saw Heaven and Hell were lies

When I'm God everyone diesScar, can you feel my power?

Shoot here and the world gets smaller

Scar, scar, can you feel my power?

One shot and the world gets smallerScar, scar, can you feel my power?

Shoot here and the world gets smaller

Scar, scar, can you feel my power?

One shot and the world gets smallerShoot, shoot, shoot motherfucker

Shoot, shoot motherfucker

Shoot, shoot motherfucker

Shoot, shoot motherfucker
