

# Sexy Cyber

## Hopsin

Intro: Lets meet up tommorrow... that is 12 minutes down for you...

Chorus: Cyber, sexy cyber, sexy cyber, i love her Sexy cyber, sexy cyber, cyber, shes my sexy cyber girl cyber,  
sexy cyber, sexy cyber, i love her, sexy cyber, sexy cyber, cyber, shes my Sexy cyber girl

Verse 1: Can you believe it? Shes finally bout to meet her soulmate, its still trippin her out, shes like no way, no more sad, lonely nights of strait horror, tommorrow shes meetin the lover God made for her, shes lookin in the mirror dancin around the house Wit a mess of clothes on the bed tryin on outfits, shes actin out how the day is probly gonna be like hi Pete im so glad we finally get to meet, she thinks to herself, hmm, i know what i should do, imma call Nicole up and tell her all the good news, it went to voicemail Cuz Nicole was sleepin, so Lauren left a message like "Girl, im gonna see him!" She hangs up and falls back on the bed smilin lookin at the ceilin daydreamin in dead silence, eventually her daydreamin turns into sleep, its love that shes feelin and yes the feelin is sweet

Chorus: Cyber Sexy cyber, sexy cyber, i love her, sexy cyber, sexy cyber, cyber, shes my sexy cyber girl, cyber,  
sexy cyber, sexy cyber, i love her Sexy cyber, sexy cyber, cyber, shes my sexy cyber girl

Verse 2: It already hit morning oh darn, but Lauren's so excited she wakes up before the alarm and calls Pete to see exactly where there gonna meet, then Pete picks up and tries To act like he was asleep, Laurens like "So where we meetin at? We can try my place?" Petes like "Nah, how bout TGI Fridays? I really love you Lauren, and i know you trust me, but its our first time meetin, and i dont wanna rush things!" She says "Thats fine, i'll see you at 12!" "Until then i love you baby, hope you'll be doin well, mwah" She takes a shower, does her hair, and all that girl stuff, makeup, lipstick, neck and wrist pearled up, now its about time she heads on out to tease, she text messages Pete "Hey, imma bout to leave:)" And shes so damn excited as her heart Pounds and beats, that she almost left the house without her keys, geez!

Chorus: Cyber, sexy cyber, sexy cyber, i love her, sexy cyber, sexy cyber, cyber, shes my sexy cyber girl, cyber  
Sexy cyber, sexy cyber, i love her, sexy cyber, sexy cyber, cyber, shes my sexy cyber girl

Verse 3: She pulls up but Pete hasnt arrived yet, should she go in without him? She hasnt decided She dosent really know how he would act if she tried it, so she just sits back and just relaxes her eyelids, its 12:20 Lauren picks up an appetite, she decides to go inside without him and have a bite, then the phone rings, its Pete so she answers it, Pete says, "Baby, Im gonna have to cancel it." Lauren says "Why, what happened? What is it?" Then Pete says "I just heard my grandmothers real sick, and i have to go and give her a visit" Then Lauren says, "Its ok baby, go handle your buisness" She loves him too much, so it didnt really bother her, she hops In the car and pulls off, a truck follows her, but she dont even notice cuz her musics to loud, and shes just caught up in the zone of a Ludacris album and now shes home, she opens the door, moves to get out, soon as the foot hits the ground a man rushes up and pushes her down, she drops her keys, the man picks em up And drags her by her feet into her house,

like he dont give a fuck, he slapped her, then put tape on her mouth to take from the sound of Lauren screamin rape really loud, hes goin ballistic, her face is covered wit lipstick, then he yells out "Bitch, Pete never existed!"

Her heads spinnin Then she just faints, the man rips off her clothes and Lauren gets raped, from that day on nobody ever heard from her, cuz that so called Pete guy went and murdered her, he tossed her body in an offroad ditch, he said to her, see you at the cossroad bitch!

Chorus: Sexy cyber, cyber, sexy cyber, cyber, cyber, cyber, cyber, sexy cyber, sexy cyber, i love her, sexy

cyber, sexy cyber, cyber, shes my sexy Cyber girl, cyber, sexy cyber, sexy cyber, i love her, sexy cyber, sexy  
cyber, cyber shes my sexy cyber girl
