Pumping On Your Stereo

Supergrass

Can you hear us humpin' on your stereo?
Can you hear us humpin' on your stereo?
Can you hear us humpin' on your stereo?
Can you hear us humpin' on your stereo?Can you hear us humpin' on your stereo?
Can you hear us humpin' on your stereo?
Can you hear us humpin' on your stereo?
Can you hear us humpin' on your stereo?Life is a cigarette, you smoke to the end
But if you rocket the middle bit
Then you burn all your friends
The wider your eyes, the bigger the lies, yes it's trueCan you hear us pumpin' on your stereo?
Can you hear us pumpin' on your stereo?Take a look through your window now
You're all alone on the road
Well, you'll burn all your bridges down
And now you're losin'control
The wider your eyes, the bigger the lies, yes it's true
If you made a mistake where you couldn't relate to your grooveCan you hear us humpin' on your stereo?
Can you hear us humpin' on your stereo?
Can you hear us humpin' on your stereo?
Can you hear us humpin' on your stereo?Well, now that I've met you
And I love you as a friend
Yeah, but your love is mogadon, love is the end
Well, the wider your eyes, the bigger the lies, yes it's true
If you made a mistake where you couldn't relate to your groove
Yes, it's trueCan you hear us humpin' on your stereo?
Can you hear us humpin' on your stereo?
Can you hear us humpin' on your stereo?
Can you hear us humpin' on your stereo?
Can you hear us humpin' on your stereo?
Can you hear us humpin' on your stereo?Can you hear us humpin' on your stereo?
Can you hear us humpin' on your stereo?
Can you hear us humpin' on your stereo?
Can you hear us humpin' on your stereo?
Can you hear us humpin' on your stereo?
Can you hear us humpin' on your stereo?
Can you hear us humpin' on your stereo?
