

Dead Man Walkin'

[Lynyrd Skynyrd](#)

Let me tell you a story Outside of Macon off a Country road
Justice was forsaken when they let the wrong man go
Johnny Law was shady, first one on the scene
They called it murder in the first degree Dead man walkin', walkin' down the hall
Judge says, "Guilty" but still he's standin' tall
Dead man walkin' they say, "He broke the law"
Takin' the life of another man who done his daughter wrong Light 'em up, lay 'em down
Take 'em out but there's more of us around
When wrong is right and right is wrong
Oh there's a dead man walkin' tonight
Walk on, walk on, walk on If I ask you a question, would you tell the truth?
Would you pull the trigger if you were standin' in his shoes?
Dead man walkin' I know what I'd do
If someone hurt my baby I'd be walkin' too Light 'em up, oh lay 'em down
Take 'em out but there's more of us around
When right is wrong and wrong is right
Oh there's a dead man walkin' tonight
Walk on, you gotta walk on baby
Walk on, oh you gotta walk on baby, walk on Yeah
So if I ask you that question, would you tell the truth?
Dead man walkin'
