

Fences

Paramore

I'm sitting in a room made up of only big white walls
And in the hall, there are people looking through
The window in the door
They know exactly what we're here for Don't look up, just let them think
There's no place else you'd rather be You're always on display
For everyone to watch and learn from
Don't you know by now? You can't turn back
Because this road is all you'll ever have And it's obvious that you're dying, dying
Just living proof that the camera's lying
And oh, oh, open wide, 'cause this is your night
So smile, 'cause you'll go out in style
You'll go out in style If you let me, I could
I'd show you how to build your fences
Set restrictions, separate from the world
The constant battle that you hate to fight
Just blame the limelight Don't look up, just let them think
There's no place else you'd rather be
And now you can't turn back
Because this road is all you'll ever have And it's obvious that you're dying, dying
Just living proof that the camera's lying
And oh, oh, open wide, 'cause this is your night
So smile Yeah, yeah, you're asking for it
With every breath that you breathe in
Just breathe it in Yeah, yeah, well, you're just a mess
You do all this big talking
So now let's see you walk it
I said, let's see you walk it Yeah, yeah, well, you're just a mess
You do all this big talking
So now let's see you walk it
I said, let's see you walk it And it's obvious that you're dying, dying
Just living proof that the camera's lying
And oh, oh, open wide, yeah, oh, oh, open wide
Yeah, oh, oh, open wide, 'cause you'll go out in style
You'll go out in style
