I Believe

Chilliwack

I was lost in time
Feelin' like the victim of a perfect crime
Until that night I met you
How was I to know just what your love could doNow I believe there has been a change in me
Yeah I believe that it was meant to be
Oh can't you see I believe in you and me?In the dark of night we can be
What we would like to be
And it's all rightWhen it's you, you and me girl
Well I feel like
We're the only people in the worldI believe there has been a change in me
Yeah I believe that it was meant to be
Can't you see I believe in you and me?Oh it's so easy, so damn easy to see
The way I feel for you and you for meNow I believe there has been a change in me
Yeah I believe that it was meant to be
Can't you see I believe in you and me?Oh can't you see I believe in you and me?
Oh can't you see I believe in you and me?
Oh can't you see I believe in you and me?
Oh can't you see I believe in you and me?
