

I Believe

Chilliwack

I was lost in time

Feelin' like the victim of a perfect crime

Until that night I met you

How was I to know just what your love could doNow I believe there has been a change in me

Yeah I believe that it was meant to be

Oh can't you see I believe in you and me?In the dark of night we can be

What we would like to be

And it's all rightWhen it's you, you and me girl

Well I feel like

We're the only people in the worldI believe there has been a change in me

Yeah I believe that it was meant to be

Can't you see I believe in you and me?Oh it's so easy, so damn easy to see

The way I feel for you and you for meNow I believe there has been a change in me

Yeah I believe that it was meant to be

Can't you see I believe in you and me?Oh can't you see I believe in you and me?

Oh can't you see I believe in you and me?

Oh can't you see I believe in you and me?

Oh can't you see I believe in you and me?
