To all the mothers, ladies, christmas cookie bakers
To all the daughters, mums, the girls and christmas makers
We all salute you, Santa Clara's here for justice
Christmas is nothing without us so let's run thisWhohohohohohohoho
You're the best, you're are the best and we love you so
Whohohohohohohoho
You're the best, you're the best and we love you soHow come that every year a mister gets the fame?
When all the work is done by women in his name?
There's something wrong aint' it, there's something wrong
Santa Clara's here to change it!Whohohohohohohoho
