

Forever Survivor (feat. Macy Gray)

Far East Movement

[Intro: Macy Gray]

Oh, and I'm a forever survivor[Verse 1: Macy Gray]

Sometimes the road ain't that easy

And honey, all money ain't the same

I guess that love ain't that sleezy

And sometimes the crowd ain't that loud

Seems like the years fly away

But I find it strange when times get harder

I will survive another day

[Chorus: Macy Gray]

Reach the sky, the smell the roses

I will play for you like it's my last show

I'm a forever survivor, forever survivor

So much stronger, so much wiser

It's the power that's inside me

Forever survivor, forever survivor[Post-Chorus: Macy Gray]

And I wanna tell ya

I wanna shout

I wanna scream it out loud

Forever survivor, forever survivor[Verse 2: Macy Gray]

Maybe the storm will never end

Maybe my heart was meant to break

If I get tomorrow, I'll try again

I'm gonna find a better way

Tie up my shoes to keep from fallin'

I'm countin' every step I take

Walkin' ahead until I'm found

I will survive another day

I'm a survivor, survivor, I'm a survivor

F-f-forever, f-f-forever, f-f-forever, f-f-forever, survivor[Chorus: Macy Gray]

Reach the sky, the smell the roses

I will play for you like it's my last show

I'm a forever survivor, forever survivor

So much stronger, so much wiser

It's the power that's inside me

Forever survivor, forever survivor

Forever, forever

Forever survivor, forever survivor[Post-Chorus: Macy Gray]

And I wanna tell ya

I wanna shout
I wanna scream it out loud
Forever survivor, forever survivor[Outro: Macy Gray]
Forever
I'm a survivor
I am forever
I'm a survivor
