## **Scentless Apprentice**

## **Nirvana**

Like most babies smell like butter His smell smelled like no other He was born scentless and senseless

He was born a scentless apprenticeGo away, go away!Every wet nurse refused to feed him Electrolytes smell like semen

I promise not to sell your perfumed secrets

There are countless formulas for pressing flowersGo away, go away! I lie in the soil and fertilize mushrooms

Leakin' out gas fumes are made into perfume
You can't fire me because I quit
Throw me in the fire and I won't throw a fitGo away, go away, go away, go away, go away, go away!
