It's The Falling In Love

Michael Jackson

It's the fallin' in love that's makin' me high
It's the bein' in love that makes me cry, cry
You've got me fallin' in love, got me fallin' in love
Cry, cry, cry, cry
You're not like anybody I ever knew
But that don't mean that I don't know where we are
And though I find myself attracted to you
This time I'm trying not to go too far, 'cause
No matter how it starts it ends the same
Someone's always doing someone more
Trading in the passion for that taste of pain
It's only gonna happen again
It's the fallin' in love that's makin' me high
It's the being in love that makes me cry, cry, cry
It's the fallin' in love that's makin' me high
It's the being in love that makes me cry, cry, cry, all night
And though I'm trying not to look in your eyes
Each time I do they kind of burn right through me
Don't want to lay down in a bed full of lies
And yet my heart is sayin' come and do me
Now we're just a web of mystery
A possibility of more to come
I'd rather leave the fantasy of what might be
But here I go falling again
It's the fallin' in love that's makin' me high
It's the being in love that makes me cry, cry, cry
It's the fallin' in love that's makin' me high
It's the being in love that makes me cry, cry, cry, cry, cry
Over you, all night
It's the fallin' in love
You got me fallin' in love, got me fallin' in love
Being in love that makes me cry, cry, cry
It's the fallin' in love that's makin' me high
It's the being in love that makes me cry, cry, cry
It's the fallin' in love that's makin' me high
It's the being in love that makes me cry, cry, cry
Yeah, yeah, yeah
Yeah, yeah, yeah
I am fallin' in love, yeah

(I'm fallin', I'm fallin', I'm fallin', I'm fallin')
Yeah, yeah, yeah
Yeah, yeah, yeah
I am fallin' in love, yeah
(I'm fallin', I'm fallin', I'm fallin', I'm fallin')
It's the fallin' in love that's makin' me high
It's the being in love that makes me cry, cry, cry
It's the fallin' in love that's makin' me high
It's the being in love that makes me cry, cry, cry
Yeah, yeah, yeah
Yeah, yeah, yeah
