Nonsense

Madeon

Well, I am here for you
Open up your eyes and don't look away
I'm dripping down from the fangs
When I hear your name, I feel the pain
And I'm crawling on the floor just thinking that
I'm a fool
But I'll wash myself and I'll stand again
After flying with angels, yeah
And I'm backing out the corner
Don't you think that I'm a runner
I'll be coming with my guns up
Shooting at the moon to bring the sun upFall back and close your eyes
I'm at the bottom, we can hide and be forgotten
Come closer, say my name
Say it forever, we can run away together
And keep on crushing on our love like this
On our love like this, on our love like this
I'll keep on crushing on our love like this
We don't need to say the words cause we're speaking nonsenseWell, you said before
To let down and close my eyes
Well I am here
Grabbing at my chest with a broken heart, yeah
And I'm filled with fears
I've been ripped up and tossed like a mouse
Wrestled with the heavens and the devil himself
Your voice can break my bones
When you speak a force rushes in and slowly
Rips me to pieces, yeah
I would give my life to another
Just to prove I'm not a runner
I'll be coming with my guns up
Shooting at the moon to bring the sun upFall back and close your eyes
I'm at the bottom, we can hide and be forgotten
Come closer, say my name
Say it forever, we can run away together
And keep on crushing on our love like this
On our love like this, on our love like this
I'll keep on crushing on our love like this
We don't need to say the words cause we're speaking nonsenseDon't say anything at all

I'm drifting down
I don't wanna get pulled up
Just get close to me, close to me
Fall backFall back and close your eyes
I'm at the bottom, we can hide and be forgotten
Come closer, say my name
Say it forever, we can run away together
And keep on crushing on our love like this
On our love like this, on our love like this
I'll keep on crushing on our love like this
We don't need to say the words cause we're speaking nonsense
