Take My Hand

Dido

Touch my skin and tell me what your thinking
Take my hand and show me where we're going
Lie down next to me, look into my eyes and tell me
Oh, tell me what you're seeingSo sit on top of the world and tell me how you're feeling
What you feel is what I feel for you
Take my hand and if I'm lying to you
I'll always be alone, if I'm lying to youSee my eyes, they carry your reflection
Watch my lips and hear the words I'm telling you
Give your trust to me and look into my heart and show me
And show me what you're doingSo sit on top of the world and tell me how you're feeling
What you feel is what I feel for you
Take my hand and if I'm lying to you
I'll always be alone, if I'm lying to youTake your time, and if I'm lying to you
I know you'll find that you believe me
You believe me, you believe me
You believe meFeel the sun on your face and tell me what you're thinking
Catch the snow on your tongue and show me how it tastesTake your time
Take my hand and if I'm lying to you
I'll always be alone, if I'm lying to you
Take your time and if I'm lying to you
I know you'll find that you believe meTake my hand and if I'm lying to you
I'll always be alone, if I'm lying to you
Take your time and if I'm lying to you
I know you'll find that you believe me
You believe me, you believe me
You believe me, you believe me
You believe me
