

Something Good

Bic Runga

Just wanna know ya, just wanna talk to ya
I wanna hear about your day
I'd never leave ya, never been mean to ya
I'd always let you get your waySomething good will come our way
And maybe this good thing's gonna happen todayIf I were honest I'd tell you everything
But it keeps coming out as lies
It's not a promise, in case you're wondering
It's not some blessing in disguiseBut something good will come our way
And maybe this good thing's gonna happen today
Something good will come our way
And maybe this good thing's gonna happen todayI know romance is not in fashion and my heart is on the line
If you would be so kind to help me kill some time
Then something good just might come crashing
From the stars that light the sky
If you would be so kind to help me kill some timeJust wanna know ya, just wanna talk to ya
I wanna hear about your day
I'd never leave ya, never been mean to ya
I'd always let you get your waySomething good will come our way
And maybe this good thing's gonna happen today
Something good will come our way
And maybe this good thing's gonna happen todaySomething good will come our way
Something good will come our way
Something good will come our way
Something good will come our waySomething good will come our way
Something good will come our way
Something good will come our way
