Yeti

Morlack

I love your world Where the winners might be sweet all around Tell me your life. Tell me what you'll be afraid of this nightIf you wanna take a look around Please don't hit a man who understands As the story goes you are the one Run away in other place In the night you're looking for to meet And checking the man to get in fit Just the story goes you are the one Run away in other placeYeti, yeti, yeti Yeti, looking a horrid man. Yeti, living in other landI want your soul and I really like to seem to your heart I feel with you and I know that you are living apart If you wanna take a look around...
